

New session in web-app · which topic is it continuing?

8 topics · 20 sessions · 1 active

This folder holds every topic below. The suggestion comes from matching your first prompt against each topic's titles, notes and files. Confirm it or pick another.

- Checkout tests 5 · 2h ago SUGGESTED
- Orders pagination 4 · 1d ago
- Auth refactor 3 · 2d ago
- Design tokens 2 · 3d ago
- CI pipeline 3 · 7d ago
- Docs site 1 · 18d ago
- Analytics events 1 · 25d ago
- Error boundaries 1 · 33d ago
- + New topic

Choosing a topic makes this session its next numbered step and adds that topic's latest handoff note to your context. Nothing is chosen for you unless auto-join is on.
